Dear Mr. Wilder:

This office issued Open Records Letter No. 2020-31287 (2020) on December 15, 2020. We received your correspondence of January 8, 2021, in which you withdraw your request for an open records decision regarding a request for anything and everything involving the requestor and her family, including certain reports, audio and video recordings, binders, e-mails, statements, meeting information, evidence, letters, and communications regarding named individuals and entities. We have examined this correspondence and determined we will substitute this letter for Open Records Letter No. 2020-31287. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). Your request was assigned ID# 871636.

Based on your representation that you wish to withdraw your request for an open records decision because the requestor has withdrawn the request for information by operation of law, this office will consider this matter closed. If you have any questions with regard to this letter, please refer to ID# 871636.

Sincerely,
