ATTORNEY GENERAL OF TEXAS

December 16, 2020

Mr. Kevin Bailey  
Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702

OR2020-31583

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 859508 (Ref. No. M0361645-100120).

The City of Midland (the "city") received two requests from the same requestor for a specified accident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working

papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You assert the submitted information is subject to chapter 261 of the Family Code. Upon review, however, we find you have failed to demonstrate the information at issue is a report of child abuse or neglect or was used or developed in an investigation under chapter 261. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Family Code ch. 261). Therefore, we conclude section 261.201 is not applicable to the submitted information, and it may not be withheld on that basis.

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information includes a CR-3 accident report. In this instance, we note the requestor may be a person listed under section 550.065(c). Accordingly, we must rule conditionally. If the requestor is a person listed under section 550.065(c), then the requestor has a right of access to the submitted CR-3 accident report, and the city must release it to the requestor pursuant to section 550.065(c).

If the requestor is not a person listed under section 550.065(c), then the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. Transp. Code § 550.065(c-1). The redacted accident report may not include the information listed in subsection (c)(2). *Id.* Therefore, in that instance, the requestor has a right of access to the redacted accident report and the city must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
