Re: Request for ORR W108269

Dear Ms. Qualls:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 866680.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining information may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. Upon review, we find you must release the DIC-24 Statutory Warning and the DIC-25 Notice of Suspension. In releasing the DIC-24 and DIC-25 forms, you must withhold the driver license information under section 552.130 of the Government Code and the date of birth pursuant to section 552.101 of the Government Code in conjunction with common-law privacy. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Upon review of your arguments and the remaining information, we conclude you may withhold the remaining information under section 552.108(a)(1). However, you must release the basic information pursuant to section 552.108(c) of the Government Code.
