Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 859710 [ORR 4995].

The City of Sherman (the "city") received a request for information pertaining to a named individual's severance. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the interests of the named individual. Accordingly, you state the city notified the named individual of the request and of the right to submit comments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released). We have reviewed the submitted information.

As of the date of this letter, we have not received any comments from the named individual explaining why any portion of the submitted information should not be released. As no exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
