

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

December 22, 2020

Ms. Kimberly Ashby
Public Information Office
Blanco County
P.O. Box 471
Johnson City, Texas 78636

OR2020-32150

Dear Ms. Ashby:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 860308.

Blanco County (the "county") received a request for information related to a specified security assessment. You claim the submitted information is excepted from disclosure under section 552.139 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.139 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information that relates to computer network security, to restricted information under Section 2059.055 [of the Government Code], or to the design, operation, or defense of a computer network.

(b) The following information is confidential:

(1) a computer network vulnerability report;

(2) any other assessment of the extent to which data processing operations, a computer, a computer program, network, system, or system interface, or software of a governmental body or of a contractor of a governmental body is vulnerable to unauthorized

access or harm, including an assessment of the extent to which the governmental body's or contractor's electronically stored information containing sensitive or critical information is vulnerable to alteration, damage, erasure, or inappropriate use; [and]

...

(4) information directly arising from a governmental body's routine efforts to prevent, detect, investigate, or mitigate a computer security incident, including information contained in or derived from an information security log.

Gov't Code § 552.139(a), (b)(1)-(2), (4). Section 2059.055 of the Government Code provides, in pertinent part:

(b) Network security information is confidential under this section if the information is:

- (1) related to passwords, personal identification numbers, access codes, encryption, or other components of the security system of a governmental entity;
- (2) collected, assembled, or maintained by or for a governmental entity to prevent, detect, or investigate criminal activity; or
- (3) related to an assessment, made by or for a governmental entity or maintained by a governmental entity, of the vulnerability of a network to criminal activity.

Id. § 2059.055(b). The county states the submitted information relates to an assessment of information security systems, including county election systems. You inform us the information at issue "could be used in planning an attack on county systems." Based on these representations, we find the submitted information relates to computer network security, and the design, operation, or defense of a computer network. Accordingly, the county must withhold the submitted information under section 552.139 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable

charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Sean McCormick
