Dear Ms. Talley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 922526.

The Fort Worth Independent School District (the “district”) received a request for information pertaining to a specified RFP. Although you take no position as to whether the submitted information is excepted under the Act, you state release of the submitted information may implicate the proprietary interests of Frontline Technologies Group LLC (“FTG”). Accordingly, you state, and provide documentation showing, you notified FTG of the request for information and of its right to submit arguments to this office as to why the submitted information should not be released.<sup>1</sup> *See* Gov’t Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note you have not submitted information responsive to the portion of the request seeking information pertaining to the requestor’s company. To the extent any information responsive to this portion of the request existed on the date the district received the request, we assume the district has released it. If the district has not released any such information, it must do so at this time. *See* Gov’t Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

---

<sup>1</sup> We note the district did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov’t Code § 552.301(b), (e). Nonetheless, because third-party interests are at stake, we will consider whether the submitted information must be withheld under the Act based on third-party interests. *See id.* §§ 552.007, .302, .352.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from FTG explaining why the submitted information should not be released. Therefore, we have no basis to conclude FTG has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the district may not withhold the submitted information on the basis of any proprietary interest FTG may have in the information. The district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Nick Ybarra
