Dear Mr. Zapata:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 924966 (ORR# P019726).

The Houston Police Department (the "department") received a request for records related to a named department officer. The department states it is releasing some of the requested information. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. The City of Houston is a civil service city under chapter 143 of the Local Government Code. Section 143.1214 of the Local Government Code provides in relevant part:

(b) The department shall maintain an investigatory file that relates to a disciplinary action against a fire fighter or police officer that was overturned on appeal, or any document in the possession of the department that relates

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

to a charge of misconduct against a fire fighter or police officer, regardless of whether the charge is sustained, only in a file created by the department for the department's use. The department may only release information in those investigatory files or documents relating to a charge of misconduct:

- (1) to another law enforcement agency or fire department;
- (2) to the office of a district or United States attorney; or
- (3) in accordance with Subsection (c).

(c) The department head or the department head's designee may forward a document that relates to disciplinary action against a fire fighter or police officer to the director or the director's designee for inclusion in the fire fighter's or police officer's personnel file maintained under Sections 143.089(a)-(f) only if:

- (1) disciplinary action was actually taken against the fire fighter or police officer;
- (2) the document shows the disciplinary action taken; and
- (3) the document includes at least a brief summary of the facts on which the disciplinary action was based.

Local Gov't Code § 143.1214(b)-(c). The department states the submitted information is maintained in the department's internal investigative files and relates to various investigations by the department of alleged misconduct by a department officer. The department states the requestor is not a representative from another law enforcement agency, a fire department, or the office of a district or United States attorney. *See id.* § 143.1214(b)(1)-(2). Based on the department's representations and our review of the information at issue, we agree the submitted information is confidential pursuant to section 143.1214 of the Local Government Code. Accordingly, the department must withhold the information under section 552.101 of the Government Code in conjunction with section 143.1214 of the Local Government Code.
