ATTORNEY GENERAL OF TEXAS

Ms. Casey Stracener
Administrative Assistant
Upshur County

Gilmer, Texas 75644

OR2022-01112

Dear Ms. Stracener:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 925756.

The Upshur County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Initially, we must address the procedural obligations of the sheriff's office under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). The sheriff's office informs us it received the request for information on October 8, 2021. Thus, the sheriff's office's ten-business-day deadline to request a ruling was October 22, 2021. However, the envelope containing the request for a ruling from this office is postmarked October 27, 2021. *See* Gov't Code § 552.308 (describing rules for calculating submission dates of documents sent

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

via first class United States mail). Therefore, the sheriff's office failed to comply with the procedural requirements mandated by section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue.² However, we find the sheriff's office has failed to establish a compelling reason to address section 552.108 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The requestor has a right of access to his client's date of birth pursuant to section 552.023 of the Government Code. *See* Gov't Code § 552.023(a) (“[a] person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by a governmental body that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Nevertheless, the sheriff's office must withhold the submitted date of birth that does not pertain to the requestor's client under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987).

³ Because the requestor has a special right of access to some of the information being released, the sheriff's office must again seek a decision from this office if it receives another request for the same information from another requestor.
