Mr. Joseph J. Gorfida, Jr.  
Counsel for the City of DeSoto

OR2022-01116

Dear Mr. Gorfida:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 925973 [Ref. No. 125635].

The City of DeSoto (the "city"), which you represent, received a request for information pertaining to a specified incident. You state you will release some information. You argue some of the submitted information was not properly requested pursuant to chapter 1701 of the Occupations Code. We have considered your argument and reviewed the submitted information.

We note some of the submitted information consists of an officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body

worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). However, we note the remaining video recording does not consist of a body worn camera video recording and is not subject to section 1701.661 of the Occupations Code. Therefore, the city may not withhold any portion of the remaining video recording on that basis.

Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s license or driver’s license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See Gov’t Code* § 552.130(a)(1)-(2). Accordingly, the city must withhold the discernable license plates in the remaining video recording under section 552.130 of the Government Code.

In summary, as the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city must withhold the discernable license plates in the remaining video recording under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
