This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Occ. Code § 301.466(a). You explain the submitted information was created or compiled by the board as part of the board's investigation of the nurse at issue. You state the information at issue does not fall into any of the categories of information that are subject to disclosure under section 301.466(c). Further, you state the requestor is not entitled to receive this information under section 301.466(b). Based on these representations, we agree the submitted information is confidential under section 301.466(a). Accordingly, the board must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 301.466(a) of the Occupations Code.
