ATTORNEY GENERAL OF TEXAS

January 25, 2022

Mr. Arthur L. Bryan, II  
Counsel for the City of Wolfforth  
Guevara Law, P.C.  
201 South Lakeline Boulevard, Suite 704  
Cedar Park, Texas 78613

OR2022-02049

Dear Mr. Bryan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 926803.

The City of Wolfforth (the "city"), which you represent, received a request for five categories of information pertaining to the city's provision of water services. You state the city has released some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.113 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes. As part of the Texas Homeland Security Act (the "HSA"), sections 418.176 through 418.182 were added to chapter 418 of the Government Code. These provisions make confidential certain information related to terrorism. Section 418.181 of the Government Code provides as follows:

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

*Id.* § 418.181. The fact that information may relate to a governmental body's security concerns does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's

key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state the submitted information relates to the city's water system. You assert, and we agree, the city's water system constitutes critical infrastructure for purposes of section 418.181 of the Government Code. *See generally id.* § 421.001(2) (defining "critical infrastructure" to include "all public or private assets, systems, and functions vital to the security, governance, public health and safety, economy, or morale of the state or the nation"). You state release of this information would reveal the locations and vulnerabilities of the city's water system and expose them to possible acts of terrorism. Based on your representations and our review, we find the city has demonstrated release of the information at issue would identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism. Thus, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
