Mr. Jacob Woolston
Staff Attorney
Round Rock Independent School District

OR2022-02593

Dear Mr. Woolston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 927760 [PIR 2022-183].

The Round Rock Independent School District (the "district") received a request for information pertaining to a specified incident involving the requestor's client.¹ You claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.103, 552.104, 552.105, 552.106, 552.107, 552.108, 552.109, 552.110, 552.111, 552.112, 552.113, 552.114, 552.116, 552.117, 552.118, 552.119, 552.122, 552.124, 552.125, 552.126, 552.127, 552.128, 552.130, 552.135, 552.139, 552.140, and 552.151 of the Government Code. We have considered the exceptions you claim.

We must address the district's obligations under section 552.301 of the Government Code, which prescribes the procedural obligations that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or

¹ The district states it sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). As of the date of this letter, you have not submitted for our review written comments stating the reasons why the claimed exceptions apply or a copy or representative sample of the information requested. Consequently, we find the district failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although the district makes arguments against disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
