

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 1, 2022

Ms. P. Armstrong
Assistant City Attorney
City of Dallas
1400 South Lamar, 6th Floor, 6W
Dallas, Texas 75215

OR2022-02929

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 928332 (ORR Nos. D029975-091421 and D034022-101921).

The Dallas Police Department (the "department") received two requests from different requestors for information pertaining to a specified incident. The department claims the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, 552.130, 552.136, and 552.147 of the Government Code. We have considered the claimed exceptions and reviewed the submitted representative sample of information.¹

Initially, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the

¹ We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). The department received the requests for information on September 14, 2021, and October 19, 2021, respectively. Accordingly, the department was required to provide the information required by section 552.301(b) by September 28, 2021. Moreover, the department was required to provide the information required by section 552.301(e) by October 5, 2021. However, the envelope in which the department provided the information required by sections 552.301(b) and 552.301(e) was postmarked November 2, 2021. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because the department informs us, and provides documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the submitted information under section 552.108 of the Government Code on behalf of the district attorney's office. The department claims sections 552.101, 552.103, 552.108, 552.130, 552.136, and 552.147 of the Government Code for the submitted information. Because sections 552.101, 552.130, and 552.136 can provide compelling reasons to overcome the presumption of openness, we will address the department's arguments under these exceptions against release of the submitted information. However, we find the department has failed to establish a compelling reason to address its remaining claimed exceptions.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). The submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.²

The department also asks this office to issue a previous determination that would permit it to withhold information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code without requesting a ruling from this office. Open Records Decision No. 673 (2001). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Katie Stallcup
Assistant Attorney General
Open Records Division

² As our ruling is dispositive, we need not address the remaining arguments against disclosure of the submitted information or the applicability of section 1701.661(a) of the Occupations Code to the submitted body worn camera video recordings. *See generally* Occ. Code § 1701.661(a), (e).
