Mr. Hans P. Graff
Attorney for the Barbers Hill Independent School District
Sara Leon & Associates, PLLC

Dear Mr. Graff:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 927451.

The Barbers Hill Independent School District (the "district"), which you represent, received a request for legal fees spent by the district during a specified time period, including for a specified lawsuit. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit written comments regarding why information should or should not be released).

We note the submitted information is subject to section 552.022 of the Government Code. Section 552.022 provides, in relevant part, the following:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Id. § 552.022(a)(3). The submitted information consists of information in an account, voucher, or contract relating to the receipt or expenditure of funds by a governmental body that is subject to section 552.022(a)(3). The district must release this information pursuant to section 552.022(a)(3) unless it is made confidential under the Act or other law. *See id.* Although the district raises section 552.103 of the Government Code for this information, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit*, 4 S.W.3d at 475-76 (governmental body may waive section 552.103); ORDs 665 at 2 n.5 (discretionary exceptions generally), 663 at 5 (waiver of discretionary exceptions). Therefore, the district may not withhold any of the submitted information under section 552.103. As the district raises no further arguments against disclosure, it must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
