Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 927653 (Case No. T22-05).

The Texas Military Department (the “department”) received a request for height-weight rosters that include BMI for Texas State Guards members during a specified period of time. You state you will redact certain information subject to section 552.117 of the Government Code as permitted by section 552.024(c) of the Government Code.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.117 of the Government Code. We have considered the exceptions you claim.

We must address the department’s procedural obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov’t Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the

¹ Section 552.117 of the Government Code excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body. *See* Gov’t Code § 552.117(a)(1). Section 552.024 of the Government Code authorizes a governmental body to withhold information subject to section 552.117 without requesting a decision from this office if the current or former employee or official chooses not to allow public access to the information. *See id.* § 552.024(c).

governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). You state the department received the request on October 20, 2021. However, as of the date of this letter, the department has not submitted for our review a copy or representative sample of the requested information. Consequently, we conclude the department failed to comply with the procedural requirements mandated by section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the department raises exceptions to disclosure because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302 of the Government Code. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
