Mr. Robert Ray  
Assistant City Attorney  
City of Longview  
P.O. Box 1952  
Longview, Texas 75606

OR2022-03030

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 927415.

The City of Longview (the “city”) received a request for certain communications and reports pertaining to a specified event during a stated period of time.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. *Id.* § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977)). A governmental body claiming section 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See* Gov’t Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706. Section 552.108(b)(1) is intended to protect “information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize

<sup>1</sup> We note the city sought and received clarification of the information requested. *See* Gov’t Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

officer safety, and generally undermine police efforts to effectuate the laws of this State.” *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 at 327 (Tex. App.—Austin 2002, no pet.). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state the information at issue consists of internal law enforcement records gathered by the Longview Police Department (the “department”) that, if released, would interfere with law enforcement or prosecution of crime. You explain the information at issue pertains to a planned rally and counterprotest and contains internal analysis discussing the department’s plan of operations to address the event. You assert release of the information at issue would “allow groups and individuals planning such events to anticipate weaknesses in police planning [and] response, avoid detection, and pose a threat to officer safety.” Based on your representations and our review, we agree release of the information at issue would interfere with law enforcement. Accordingly, the city may withhold the submitted information under section 552.108(b)(1) of the Government Code.<sup>2</sup>
