Dear Mr. Beauchamp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 927163 (TCOLE# 11.2.2021 Lewis).

The Texas Commission on Law Enforcement ("TCOLE") received a request for certain information pertaining to two named individuals. You state TCOLE has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 1701.454 of the Occupations Code. Section 1701.454 governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

- (a) All information submitted to [TCOLE] under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.

(b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information consists of F-5 forms submitted to TCOLE pursuant to subchapter J of chapter 1701 of the Occupations Code. This information does not reflect the officer at issue resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, TCOLE must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
