Dear Ms. Bangs:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 928682 (C.A. File No. 21PIA0900).

The Harris County Budget Management Department (the "county") received a request for four categories of information related to a named third party's participation in a specified program. You claim the submitted information is excepted from disclosure under section 552.160 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.160 of the Government Code provides, in relevant part, the following:

(b) Except as provided by Subsection (c), the following information maintained by a governmental body is confidential:

- (1) the name, social security number, house number, street name, and telephone number of an individual or household that applies for state or federal disaster recovery funds;
- (2) the name, tax identification number, address, and telephone number of a business entity or an owner of a business entity that applies for state or federal disaster recovery funds; and

(3) any other information the disclosure of which would identify or tend to identify a person or household that applies for state or federal disaster recovery funds.

(c) The street name and census block group of and the amount of disaster recovery funds awarded to a person or household are not confidential after the date on which disaster recovery funds are awarded to the person or household.

Gov't Code § 552.160(b), (c); *see also id.* § 552.160(a); *id.* § 418.004(1) (defining “disaster” for purposes of section 552.160). Upon review, we find you failed to demonstrate the submitted information identifies or tends to identify a business entity, an owner of a business entity, a person, or a household that applied for state or federal disaster recovery funds. Thus, the county may not withhold any portion of the submitted information under section 552.160 of the Government Code. As you raise no further exceptions to disclosure, the county must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
