Re: Request for investigation of requestor's client in 2021, including an interview in June of 2021.

Dear Ms. Chavez:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 930330.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the submitted information must be withheld from the requestor.¹ Upon review of your arguments and the submitted information, we conclude you must withhold the submitted information pursuant to section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.²

¹ We note the district sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimate. *See* Gov't Code § 552.2615. The estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). The district has submitted documentation showing it received the required payment on November 9, 2021. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

² As our ruling is dispositive, we need not address your remaining arguments against disclosure.
