

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

February 8, 2022

Mr. James Kopp  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78207

OR2022-03492

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930134 (ORR# W415294).

The San Antonio Police Department (the "department") received a request for records related to five specified incidents. The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Incident numbers SAPD-2021-1381759 and SAPD21217175 involve juvenile offenders, so as to fall within the scope of section 58.008(b). It does not appear any of the exceptions in section 58.008 apply. Accordingly, the department must withhold incident numbers SAPD-2021-1381759 and SAPD21217175 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

Section 552.101 of the Government Code also encompasses information protected by section 261.201 of the Family Code, which provides, in part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

*Id.* § 261.201(a). The department informs us incident numbers SAPD-2021-1386838 and SAPD-2021-1367844 were used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the department. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. The department does not indicate it has adopted a rule that governs the release of this type of information and therefore we assume no such regulation exists. Given that assumption, we conclude the department must withhold incident numbers SAPD-2021-1386838 and SAPD-2021-1367844 under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of

legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Upon review, we find some of the submitted information, which we marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the department must withhold the information we marked within incident number SAPD2021-1389864 under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, the department must withhold incident numbers SAPD-2021-1381759 and SAPD21217175 under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code. The department must withhold incident numbers SAPD-2021-1386838 and SAPD-2021-1367844 under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. The department must withhold the information we marked within incident number SAPD2021-1389864 under section 552.101 of the Government Code in conjunction with common-law privacy. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
