

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 9, 2022

Ms. Heather Silver
Assistant City Attorney
City of Dallas
1400 Botham Jean Boulevard
Dallas, Texas 75215

OR2022-03680

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 929545 (Ref. No. D028316-083121).

The Dallas Police Department (the “department”) received a request for certain information pertaining to a specified incident. You state the department will release some information to the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note, and you acknowledge, the department failed to comply with the obligations of section 552.301 of the Government Code. *See* Gov’t Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body’s failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.3d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide

¹ We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the information at issue under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, because section 552.130 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will address the applicability of this section to the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). As noted above, you state, and provide documentation demonstrating, the district attorney's office objects to release of the information at issue because it relates to an ongoing criminal investigation or prosecution conducted by the district attorney's office. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the information you marked and indicated under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country. *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, the department may withhold the information you marked and indicated under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. The department must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
