ATTORNEY GENERAL OF TEXAS

February 9, 2022

Ms. Josi Diaz  
Assistant City Attorney  
City of Dallas  
1400 Botham Jean Boulevard  
Dallas, Texas 75215

OR2022-03727

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930447 (ORR# D030925).

The Dallas Police Department (the "department") received a request for a specified incident report. We understand you will withhold the motor vehicle record information you have marked pursuant to section 552.130(c) of the Government Code and the social security number you have marked pursuant to section 552.147(b) of the Government Code.<sup>1</sup> We also understand you will withhold the date of birth you have marked pursuant to Open Records Letter No. 2017-09757 (2017).<sup>2</sup> You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>3</sup>

---

<sup>1</sup> Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

<sup>2</sup> Open Records Letter No. 2017-09757 is a previous determination issued to the City of Dallas authorizing it to withhold certain public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office.

<sup>3</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records

Initially, we note, and you acknowledge, the department failed to comply with section 552.301 of the Government Code. *See* Gov't Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.3d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Because you inform us, and provide documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the department may withhold the information at issue under section 552.108 of the Government Code on behalf of the district attorney's office. Additionally, because section 552.101 can provide a compelling reason to overcome the presumption of openness, we will also address the applicability of this section to the information at issue.<sup>4</sup>

We note the submitted information includes a CR-3 accident report. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor has not demonstrated they are a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code.<sup>5</sup>

letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

<sup>4</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>5</sup> As our ruling is dispositive, we need not address your argument against disclosure of this information.

However, section 550.065(c-1) requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the department and the district attorney's office assert section 552.108 to withhold this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the city may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the redacted accident report to the requestor pursuant to section 550.065(c-1).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The district attorney's office objects to the release of the information at issue because it relates to a pending criminal investigation, and release of the information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information you have marked. Accordingly, the department may withhold the remaining information you have marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

As noted above, we understand you will withhold the motor vehicle record information you have marked pursuant to section 552.130(c) of the Government Code. Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Upon review, we find, with the exception of the information we have marked for release, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. However, no portion of the information we have marked for release constitutes motor vehicle record information subject to section 552.130 and the department may not withhold this information on this basis.

In summary, the department must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The department may withhold the remaining information you have marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. With the exception of the information we have marked for release, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
