ATTORNEY GENERAL OF TEXAS

Mr. Montgomery Meitler
Senior Counsel
Texas Education Agency
1701 Congress Avenue

OR2022-04155

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 929805 (TEA PIR# 50622).

The Texas Education Agency (the "agency") received a request for all complaints made against Medina Valley Independent School District (the "district") and a named district trustee over a specified time period. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 39.004 of the Education Code which provides, in part, the following:

(e) Unless otherwise provided by law, all evidence collected by the agency in connection with a special investigation, including witness statements and videos of agency interviews, are confidential and not subject to disclosure

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

under Chapter 552, Government Code, except that evidence described by this section may be disclosed:

- (1) to a person with a legitimate interest in the investigation; or
- (2) in connection with an administrative or other legal proceeding brought under this title.

Educ. Code § 39.004(e). You state the information at issue was collected and prepared by the agency's Divisions of Investigations and Compliance and Inquiries in conjunction with a pending special investigation. You also state the special investigation was authorized by section 39.003(a)(17) of the Education Code. *See id.* § 39.003 (listing circumstances in which the commissioner shall authorize investigations). Based upon these representations and our review, we agree the information at issue constitutes evidence collected by the agency in connection with a special investigation. Accordingly, the agency must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 39.004(e) of the Education Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
