

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 15, 2022

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-04443

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930955 (Reference No. M035555-111521).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, as follows:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor provides the requisite information under section 1701.661(a). We note, however, section 1701.661(f) provides, in relevant part, as follows:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). The city states the submitted recording pertains to an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. The city further states it has not received written authorization for release from all of the subjects of the recording. *See id.* Accordingly, we find the city must withhold the submitted video recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local government agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the city must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Thus, the city must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.

In summary, the city must withhold the submitted video recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The city must withhold the accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but must release the redacted accident report to the requestor pursuant to section 550.065(c-1) of the Transportation Code.
