Mr. Robert G. Schleier, Jr.
Counsel for the City of Kilgore
Law Office of Robert G. Schleier, Jr.
116 North Kilgore Street
Kilgore, Texas 75662

OR2022-04520

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930614.

The City of Kilgore (the "city"), which you represent, received a request for two specified lists during a defined period of time. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor only requested addresses pertaining to the specified lists. Thus, the remaining submitted information is not responsive to the request. This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release such information in response to this request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 182.052 of the Utilities Code, which provides, in part, as follows:

- (a) Except as provided by Section 182.054, a government-operated utility may not disclose personal information in a customer's account record, or any information relating to the volume or units of utility usage or the amounts billed to or collected from the individual for utility usage, unless

the customer requests that the government-operated utility disclose the information.

(b) A customer may request disclosure of information described by Subsection (a) by delivering to the government-operated utility an appropriately marked form provided under Subsection (c)(2) or any other written request for disclosure.

Util. Code § 182.052(a)-(b). “Personal information” under section 182.052(a) means an individual’s address, telephone number, and social security number, but does not include the individual’s name. *See id.* § 182.051(4); *see also* Open Records Decision No. 625 (1994) (construing statutory predecessor). Waste, wastewater, gas, garbage, electricity, and drainage services are included in the scope of utility services covered by section 182.052. *See* Util. Code § 182.051(3). Section 182.054 of the Utilities Code provides six exceptions to the disclosure prohibition found in section 182.052. *See id.* § 182.054.

We understand the city is a government-operated utility for purposes of section 182.052. *See id.* § 182.051(3) (providing a “government-operated utility” is a governmental body or entity that, for compensation, provides water, wastewater, sewer, gas, garbage, electricity, or drainage service). Upon review, we find the responsive information at issue consists of personal information of utility customers. Accordingly, to the extent the customers did not request that the city disclose information described by subsection (a) of section 182.052, the city must withhold the responsive information under section 552.101 of the Government Code in conjunction with section 182.052 of the Utilities Code. To the extent the customers did request that the city disclose information described by subsection (a) of section 182.052, the city may not withhold any such information under section 552.101 in conjunction with section 182.052. In that instance, as no further exceptions to disclosure have been raised, the city must release the responsive information at issue.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
