

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 16, 2022

Mr. Mark Kratovil
Assistant Criminal District Attorney
Tarrant County
401 West Belknap, 9th Floor
Fort Worth, Texas 76196

OR2022-04771

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930555.

The Tarrant County Sheriff's Office (the "sheriff's office") received a request for information related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

[T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

- (1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.022(a)(1). The submitted information contains completed reports subject to section 552.022(a)(1) of the Government Code. The sheriff's office must release this information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for the information at issue, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the sheriff's office may not withhold the information subject to section 552.022, which we have marked, under section 552.103 of the Government Code. As the sheriff's office raises no further exceptions for the information at issue, which we have marked, it must be released pursuant to section 552.022(a)(1). However, we will consider the sheriff's office's argument under section 552.103 of the Government Code for the remaining information.

Section 552.103 of the Government Code provides, in part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state, and provide documentation showing, prior to the date the sheriff's office received the instant request, a lawsuit styled *Miller v. Tarrant County Sheriff's Office*, Civil

Action No. 4:21-cv-910, was pending against the sheriff's office in the United States District Court for the Northern District of Texas, Fort Worth Division. The sheriff's office states the information at issue is related to the pending lawsuit. Based on these representations, the submitted documentation, and our review of the information at issue, we find litigation was pending against the sheriff's office when it received this request for information, and the information at issue is related to the pending litigation for the purposes of section 552.103. Accordingly, the sheriff's office may withhold the information that is not subject to section 552.022 under section 552.103 of the Government Code.²

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the pending litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

In summary, the sheriff's office must release the information we have marked pursuant to section 552.022(a)(1) of the Government Code. The sheriff's office may withhold the remaining information under section 552.103 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Chase D. Young
Assistant Attorney General
Open Records Division

² As our ruling is dispositive, we need not address the applicability of section 1601.771(a) of the Occupations Code to the submitted body worn camera recordings. *See generally* Occ. Code § 1701.661(a), (e).
