Dear Ms. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 932276 (HCOG Ref# R003078-091421).

The Hays County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified traffic accident.<sup>1</sup> You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental

<sup>1</sup> You state the sheriff's office sent the requestor a cost estimate of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimate. *See id.* § 552.2615. You state the estimate of charges required the requestor to provide a deposit for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). You state the sheriff's office received the required payment on November 19, 2021. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

<sup>2</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The sheriff's office states the submitted information relates to a pending criminal investigation or prosecution. Based on this representation, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in the *Houston Chronicle* decision. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle* decision). Thus, with the exception of basic information, the sheriff's office may withhold the submitted information under section 552.108(a)(1) of the Government Code.<sup>3</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
