

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 18, 2022

Mr. Jacob Woolston
Staff Attorney
Round Rock Independent School District
1 Chisholm Trail
Round Rock, Texas 78681

OR2022-05032

Dear Mr. Woolston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 931303 (PIR No. 2022-220).

The Round Rock Independent School District (the "district") received a request for all communications between a named individual and the district's board of trustees during a defined time period. You state the district will release some information. You claim some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, orig. proceeding); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, orig. proceeding). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking

processes of the governmental body. ORD 615 at 5; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). However, a governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. ORD 615 at 5-6; *see also Dallas Morning News*, 22 S.W.3d at 364 (section 552.111 not applicable to personnel-related communications that did not involve policymaking).

Further, section 552.111 does not generally except from disclosure facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 157; ORD 615 at 5. But, if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

The district asserts the information it marked consists of advice, recommendations, and opinions regarding proposed policy changes and resolutions affecting the district. The district also states the information at issue includes a hyperlink to a draft document that you state has or will be released in its final form. Based on these representations and our review, we find, except for the information we marked for release, the district may withhold the information you marked under section 552.111 of the Government Code. However, we find the remaining information is either factual in nature or consists of internal administrative or personnel matters that do not rise to the level of policymaking. Therefore, we find the district has failed to demonstrate the remaining information at issue constitutes internal communications containing advice, recommendations, or opinions reflecting the policymaking processes of the city. Accordingly, none of the remaining information at issue may be withheld under section 552.111 of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
