

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 22, 2022

Ms. Karen Fitzgerald
Executive Director of Communications & Engagement
Carroll Independent School District
2400 North Carroll Avenue
Southlake, Texas 76092

OR2022-05265

Dear Ms. Fitzgerald:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 930146.

The Carroll Independent School District (the "district") received a request for e-mail communications between named district employees that reference a named individual.¹ You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating the performance of a teacher or administrator is confidential[.]" Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that

¹ As you have not submitted a copy of the request for information for our review, we take our description from your brief to our office.

² We note, and you acknowledge, the district failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b). Nonetheless, section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness caused by a failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address the applicability of this exception to the submitted information, notwithstanding the district's violation of section 552.301 in requesting this decision.

term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Further, in Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.* The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). Upon review, we find you have failed to demonstrate the information at issue evaluates the performance of a teacher or administrator for purposes of section 21.355. Thus, the district may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. As no further exceptions to disclosure have been raised, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
