ATTORNEY GENERAL OF TEXAS

February 23, 2022

Mr. Chuong Q. Phung  
Assistant City Attorney  
City of Grand Prairie  
300 West Main Street  
Grand Prairie, Texas 75953-4045

OR2022-05502

Dear Mr. Phung:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 937345 (GPCA Ref. Nos. 21-0367 & 21-0398).

The Grand Prairie Police Department (the "department") received two requests from different requestors for numerous categories of information pertaining to a specified motor vehicle accident. The department state it has released most of the responsive information to the requestor. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

---

<sup>1</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestors provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. The submitted body worn camera recording reflects it was required to be made by law or the policies of the department and relates to a law enforcement purpose. *See id.* 1701.661(h). We note, however, section 1701.661(c) and section 1701.661(d) provide:

(c) Except as provided by Subsection (d), information recorded by a body worn camera and held by a law enforcement agency under this subchapter is not subject to the requirements of Section 552.021, Government Code.

(d) Information that is or could be used as evidence in a criminal prosecution is subject to the requirement of Section 552.021, Government Code.

*Id.* § 1701.661(c)-(d). The department states the body worn camera recording at issue relates to an incident that “was not criminal in nature.” Further, the department states the body worn camera recording could not be used as evidence in a criminal prosecution. Based upon the department’s representations and our review, we agree the submitted body worn camera recording is confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 1701.661(c) of the Occupations Code.<sup>2</sup> However, we note the remaining information does not consist of a body worn camera recording. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code, and the department may not withhold any portion of it on that basis.

Section 552.130 of the Government Code excepts from public disclosure information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.<sup>3</sup> *See* Gov’t Code § 552.130. We note section 552.130 is designed to protect the privacy of individuals. Thus, the requestors have a right of access to their clients’ motor vehicle record information and it may not be withheld from them under section 552.130. *See id.* § 552.023 (person or person’s authorized representative has special right of access to records that contain information relating to the person that are protected from public

---

<sup>2</sup> As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.

<sup>3</sup> The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

disclosure by laws intended to protect that person's privacy interests); ORD 481 at 4 (privacy theories not implicated when individual requests information concerning herself). Accordingly, with the exception of the motor vehicle record information pertaining to the requestors' clients, the department must withhold all audible and visible license plates and vehicle registration stickers within the remaining recording under section 552.130 of the Government Code.

In summary, the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(c) of the Occupations Code. With the exception of the motor vehicle record information pertaining to the requestors' clients, the department must withhold all audible and visible license plates and vehicle registration stickers within the remaining recording under section 552.130 of the Government Code. The department must release the remaining information to these requestors.<sup>4</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>4</sup> We note the requestors have a special right of access to some of the information being released in this instance. *See* Gov't Code § 552.023(a); ORD 481 at 4. Because such information is confidential with respect to the general public, if the department receives another request for this information from a different requestor, the department must again seek a ruling from this office.
