

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

February 24, 2022

Mr. Robert G. Schleier, Jr.
Counsel for the City of Kilgore
Law Office of Robert G. Schleier, Jr.
116 North Kilgore Street
Kilgore, Texas 75662

OR2022-05683

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 931654.

The Kilgore Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. We determine the requestor provided the requisite information required by section 1701.661(a) of the Occupations Code. We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted body worn camera recordings involve an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. You state you do not have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recordings, which we have indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.¹ *See generally King v. Paxton*, 576 S.W.3d 881 (Tex. App.—Austin 2019, pet. denied).

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the city to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report, and the department must release it to the requestor pursuant to section 550.065(c-1).

Section 552.101 of the Government Code also encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See Open Records Decision No. 649* (1996). We understand the department is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. You state some of the information at issue consists of the originating telephone number of a 9-1-1 caller. Accordingly, to the extent the telephone number of the 9-1-1 caller was supplied by a 9-1-1 service supplier, the department must withhold the originating telephone number of the 9-1-1 caller you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

¹ As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold all audible and visible license plates, license plate numbers, and registration stickers in the remaining information under section 552.130 of the Government Code.

In summary, the department must withhold the submitted body worn camera recordings, which we have indicated, under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The department must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. To the extent the telephone number of the 9-1-1 caller was supplied by a 9-1-1 service supplier, the department must withhold the originating telephone number of the 9-1-1 caller you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. The department must withhold all audible and visible license plates, license plate numbers, and registration stickers in the remaining information under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
