ATTORNEY GENERAL OF TEXAS

February 24, 2022

Mr. Robert Ray
Assistant City Attorney
City of Longview
P.O. Box 1952
Longview, Texas 75606

OR2022-05728

Dear Mr. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 937298 (Ref. No. PD-2021-352).

The City of Longview (the "city") received a request for call sheets involving a specified location during a stated date range. The city states it will release some information to the requestor. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find some of the information at issue satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the city has not demonstrated any of the remaining information

is highly intimate or embarrassing and not of legitimate public concern. Thus, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
