ATTORNEY GENERAL OF TEXAS

February 25, 2022

Ms. Darcee Watson  
City Secretary's Office  
City of Wylie  
300 Country Club Road, Suite 100  
Wylie, Texas 75098

OR2022-05915

Dear Ms. Watson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 933852.

The City of Wylie (the "city") received a request for a specified contract. You claim the submitted information is excepted from disclosure under section 552.110 of the Government Code. In addition, you state release of the submitted information may implicate the proprietary interests of Paramedics Logistics Texas, L.L.C. d/b/a Paramedics Plus ("PPL"). Accordingly, you state, and provide documentation showing, you notified PPL of the request for information and of the right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

Initially, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from PPL explaining why the submitted information should not be released. Therefore, we have no basis to conclude PPL has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city

may not withhold the submitted information on the basis of any proprietary interest PPL may have in the information.

Section 552.110 of the Government Code protects (1) trade secrets, and (2) commercial or financial information the disclosure of which would cause substantial competitive harm to the person from whom the information was obtained. *See id.* § 552.110(b)-(c). Although you argue the submitted information is excepted from disclosure under section 552.110, that exception is designed to protect the interests of third parties, not the interests of a governmental body. Thus, we do not address the city's argument under section 552.110 of the Government Code. As no further exceptions to disclosure have been raised, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
