Ms. P. Armstrong
Assistant City Attorney
City of Dallas

OR2022-05973

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 935751 (ORR No. D029713).

The Dallas Police Department (the “department”) received a request for information pertaining to a specified incident. You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.136 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release

¹ The department acknowledges it did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov’t Code § 552.301(b), (e). However, the need of a law enforcement agency other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 at 3 (1991). Accordingly, we will consider whether the department may withhold the submitted information on behalf of another law enforcement agency. Further, because the remaining exceptions the department claims can provide compelling reasons to overcome the presumption of openness, we will consider their applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

² We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department provided a statement from the Dallas County Criminal District Attorney's Office (the "district attorney's office") demonstrating the submitted information relates to a pending criminal investigation or prosecution. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue. Accordingly, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.³

Section 552.136 of the Government Code states "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). The remaining information contains an employee identification number. You state an employee identification number is the same number used for the City of Dallas credit union accounts plus one additional number. Thus, the department must withhold the employee identification number you have marked under section 552.136 of the Government Code.

In summary, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. The department must withhold the information you marked under section 552.136 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ³ As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.
