ATTORNEY GENERAL OF TEXAS

March 14, 2022

Mr. Vincent Harding  
Assistant General Counsel  
Aldine Independent School District  
2520 W.W. Thorne Boulevard  
Houston, Texas 77073

OR2022-07546

Dear Mr. Harding:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 933643.

The Aldine Independent School District (the "district") received a request for information pertaining to a specified administrative leave of the requestor and information pertaining to "compliance issues" or "compliance violations."<sup>1</sup> You claim the requested information is excepted from disclosure under sections 552.101 through 552.160 of the Government Code. We have considered the exceptions you claim.

We must address the district's obligations under the Act. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e). As of the date of this letter, you have failed to submit a copy of the written request for information, written comments explaining why your claimed exceptions apply and a copy of the specific information requested. Consequently, we find the district failed to comply with section 552.301 of the Government Code.

---

<sup>1</sup> As you have not submitted a copy of the request for information, we take this description from your brief.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
