ATTORNEY GENERAL OF TEXAS

March 15, 2022

Mr. Joseph Behnke
Assistant General Counsel
Office of the Governor
P.O. Box 12428
Austin, Texas 78711

OR2022-07686

Dear Mr. Behnke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 932933 (OOG# 668-21).

The Office of the Governor (the "governor's office") received a request for grant applications and information pertaining to grant awards related to a specified project.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.² We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that is made confidential by other

¹ We note the governor's office sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We note we asked the governor's office to provide additional information pursuant to section 552.303 of the Government Code. *See* Gov't Code § 552.303(c)-(d) (if attorney general determines information in addition to that required by section 552.301 is necessary to render decision, written notice of that fact shall be given to governmental body and requestor, and governmental body shall submit necessary additional information to attorney general not later than seventh calendar day after date of receipt of notice). We have received and considered the correspondence sent by the governor's office pursuant to that request.

statutes. You raise section 552.101 in conjunction with sections 418.176 and 418.177 of the Texas Homeland Security Act (the "HSA"), chapter 418 of the Government Code. Sections 418.176 through 418.182 were added to chapter 418 as part of the HSA. These provisions make certain information related to terrorism confidential. Section 418.176 of the HSA provides in relevant part:

(a) Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and:

(1) relates to the staffing requirements of an emergency response provider, including a law enforcement agency, a fire-fighting agency, or an emergency services agency; [or]

(2) relates to a tactical plan of the provider; or

(3) consists of a list or compilation of pager or telephone numbers, including mobile and cellular telephone numbers of the provider.

Id. § 418.176(a). Section 418.177 provides that information is confidential if it:

(1) is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, or investigating an act of terrorism or related criminal activity; and

(2) relates to an assessment by or for a governmental entity, or an assessment that is maintained by a governmental entity, of the risk or vulnerability of persons or property, including critical infrastructure, to an act of terrorism or related criminal activity.

Id. § 418.177. The fact that information may be related to a governmental body's security concerns does not make such information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state some of the submitted information reveals staffing requirements, tactical plans of emergency response providers in relation to operations at the border, and possible vulnerabilities related to the border. Further, you argue release of the information at issue could aid terrorists and other criminals in avoiding detection and in the commission of crimes against critical infrastructure related to the state's international border. Based on these representations and our review, we find the information you marked relates to staffing

requirements and tactical plans of emergency response providers or assessments of vulnerabilities related to the border maintained by the governor's office for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity. See Open Records Decision Nos. 542, 532 (1989), 515 (1988), 252 (1980). Accordingly, the governor's office must withhold the information you marked under section 552.101 of the Government Code in conjunction with sections 418.176 and 418.177 of the Government Code. The governor's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
