

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 18, 2022

Ms. Amanda M. Bigbee
General Counsel
Keller Independent School District
350 Keller Parkway
Keller, Texas 76248

OR2022-07947

Dear Ms. Bigbee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 934329 (OGC# 1961).

The Keller Independent School District (the "district") received a request for the lease or purchase agreement of a specified piece of equipment. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Pitney Bowes Global Financial ("Pitney"). Accordingly, you state, and provide documentation showing, you notified Pitney of the request for information and of the right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Pitney explaining why the submitted information should not be released. Therefore, we have no basis to conclude Pitney has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the district may not withhold any portion of the submitted information on the basis of any proprietary interest Pitney may have in the information.

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected,

assembled, or maintained by or for a governmental body is confidential.”¹ *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). Accordingly, the district must withhold the submitted account numbers under section 552.136 of the Government Code.

We note some of the remaining materials may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the district must withhold the submitted account numbers under section 552.136 of the Government Code. The district must release the remaining information; however, any information that is subject to copyright may be released only in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839.
