

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 21, 2022

Ms. Marie N. Johnson
Counsel for the City of Kaufman
Messer, Fort & McDonald
6371 Preston Road, Suite 200
Frisco, Texas 75034

OR2022-08013

Dear Ms. Johnson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 935743 (ORR# K010622DP).

The Kaufman Police Department (the "department"), which you represent, received a request for information pertaining to a specified arrest. You state the department has released some of the requested information, including the basic information pursuant to section 552.108(c) of the Government Code, DIC-24 and DIC-25 forms, the breath test results of an arrestee's blood alcohol content pursuant to section 724.018 of the Transportation Code, and video pursuant to article 2.1396 of the Code of Criminal Procedure.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹ See Gov't Code § 552.108(c) (basic information about an arrest, arrested person, or crime not excepted from disclosure under section 552.108), Transp. Code § 724.018 (on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney), Crim. Proc. Code art. 2.1396 (person stopped or arrested on suspicion of DWI is entitled to receive copy of video that contains footage of stop, arrest, conduct of person stopped during interaction with officer, or procedure in which specimen of person's breath or blood is taken).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Initially, we note the submitted information includes a search warrant and return that was filed with a court. Section 552.022 of the Government Code provides for required public disclosure of “information that is also contained in a public court record,” unless the information is expressly made confidential under the Act or other law. Gov’t Code § 552.022(a)(17). Although the department seeks to withhold this information under section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body’s interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov’t Code § 552.108 subject to waiver). Therefore, the search warrant and return may not be withheld under section 552.108. The department must release the search warrant and return pursuant to section 552.022(a)(17) of the Government Code. Further, we will address your argument against disclosure of the remaining information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release information subject to section 550.065 in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1)). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the accident report to the requestor pursuant to section 550.065(c).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information

relates to a pending investigation or prosecution. Based on your representation and our review, we find release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, department must release the search warrant and return pursuant to section 522.022(a)(17) of the Government Code. The department must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
