

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 23, 2022

Ms. Paige Bailey
Assistant City Attorney
City of League City
300 West Walker Street
League City, Texas 77573

OR2022-08304

Dear Ms. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 935072 [ORR 15651].

The City of League City (the "city") received a request for information pertaining to the requestor's employment with the city. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.122 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes a Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

¹ We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand a TCOLE identification number is a unique computer-generated number assigned to licensees for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the submitted TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act and need not be released to the requestor.

Section 552.122(a) of the Government Code excepts from disclosure “[a] test item developed by an educational institution that is funded wholly or in part by state revenue[.]” Gov't Code § 552.122(a). In Open Records Decision No. 626 (1994), this office determined the term “test item” in section 552.122 includes “any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated.” ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(a) must be determined on a case-by-case basis. *Id.* at 7. Traditionally, this office has applied section 552.122 where release of “test items” might compromise the effectiveness of future examinations. *See* Open Records Decision No. 118 (1976). *See generally* ORD 626 at 4-5. Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold some of the submitted information under section 552.122 of the Government Code. We understand the information at issue consists of standard form examinations used by the city's police department to test the knowledge and abilities of applicants in a particular area. Upon review, we find the information we indicated qualifies as test items under section 552.122(b) of the Government Code. Accordingly, the city may withhold the information we indicated under section 552.122(b) of the Government Code.²

² As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

However, we find you failed to demonstrate the remaining information constitutes a test item or reveals test questions. Accordingly, the city may not withhold any portion of the remaining information under section 552.122 of the Government Code.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by chapter 411 of the Government Code, which makes confidential criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See id.* § 411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1 of the Government Code. *See Gov’t Code* § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F, of the Government Code. We note section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the criminal justice system). Further, CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find the city has not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the city may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime ... if ... release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The city does not inform us any of the remaining information pertains to a specific ongoing criminal investigation or prosecution, nor has the city explained its release would interfere in some way with the detection, investigation, or prosecution of crime. Thus, the city has failed to demonstrate the applicability of section 552.108(a)(1) to the remaining information, and it may not be withheld on that basis.

In summary, the submitted TCOLE identification number is not subject to the Act and need not be release to the requestor. the city may withhold the information we indicated under section 552.122 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
