

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 24, 2022

Ms. Tiffany Bangs
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002-1700

OR2022-08587

Dear Ms. Bangs:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 938196 (C.A. File No. 22PIA0004).

The Harris County Institute of Forensic Sciences (the "institute") received a request for a specified autopsy report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially, we must address the requestor's assertion the institute failed to comply with section 552.301 of the Government Code in requesting this decision. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), a governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See id.* § 552.301(b). Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative

samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). We note this office does not count the date the request was received or holidays, including skeleton crew days observed by a governmental body, for purposes of calculating a governmental body's deadlines under the Act. Upon review, we find the institute complied with the requirements of section 552.301 in requesting this decision from our office. *See id.* § 552.233 (temporary suspension of requirements for governmental body impacted by catastrophe). Thus, we will consider the institute's argument against disclosure of the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474* at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for the exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

The institute states the Harris County District Attorney's Office (the “district attorney's office”) has advised the submitted information pertains to a pending criminal investigation. The institute informs us the district attorney's office objects to disclosure of the information at issue because its release would interfere with the investigation. Based upon these representations, we conclude the institute may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
