ATTORNEY GENERAL OF TEXAS

Ms. Diana Shearer
Assistant County Attorney
El Paso County
500 East San Antonio, Room 503

OR2022-09155

Dear Ms. Shearer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 940104 (ORR# 0159-22-PI).

The El Paso County Sheriff's Office (the "sheriff's office") received a request for information pertaining to the requestor's client. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses chapter 411 of the Government Code, which pertains to criminal history record information ("CHRI") generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code makes CHRI the Texas Department of Public Safety ("DPS") maintains confidential, except DPS may disseminate this information as provided in subchapters E-1 and F of chapter 411 of the Government Code. *See* Gov't Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI, but a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI

except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. The submitted information contains a Federal Bureau of Investigation (“FBI”) number that constitutes CHRI generated by the FBI. Therefore, the sheriff’s office must withhold the submitted FBI number under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.¹ However, the remaining information does not contain CHRI for purposes of chapter 411. Accordingly, the remaining information is not confidential under chapter 411, and the sheriff’s office may not withhold it under section 552.101 of the Government Code on that ground. Therefore, the sheriff’s office must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹ We note individuals may obtain their own criminal record history information from DPS. *See* Gov’t Code § 411.083(b)(3).

² Because the requestor has a special right of access to some of the information being released, the sheriff’s office must again seek a decision from this office if it receives a request for the same information from another requestor.
