Mr. Pedro Jose Morales IV  
Counsel for the Edgewood Independent School District

Dear Mr. Morales:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 940510.

The Edgewood Independent School District (the "district"), which you represent, received a request for the requestor's personnel file and specified communications. You state the district has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered highly intimate or embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. In Open Records Decision No. 393 (1983), this office concluded information that either identifies or tends to identify a victim of sexual assault or other sex-related offense must be withheld under common-law privacy. ORD 393 at 2; *see* Open Records Decision No. 339 (1982); *see also Morales v. Ellen*, 840 S.W.2d 519 (Tex. App.—El Paso 1992, writ denied) (identity of witnesses to and victims of sexual harassment was highly intimate or embarrassing information and public did not have a legitimate interest in such information). Upon

review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have not demonstrated any of the remaining information is highly intimate or embarrassing and not of legitimate public concern. Thus, the remaining information may not be withheld under section 552.101 in conjunction with common-law privacy. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
