

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 7, 2022

Mr. Matthew Entsminger
Assistant County Attorney
Travis County
P.O. Box 1748
Austin, Texas 78767

OR2022-10193

Dear Mr. Entsminger:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 941539 (ORR# 1013193-1).

The Travis County District Attorney's Office (the "district attorney's office") received a request for records related to specified types of complaints received by the district attorney's office during a specified time period.¹ The district attorney's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the district attorney's office claims and reviewed the submitted representative sample of information.²

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A)

¹ The district attorney's office states it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(governmental body must provide comments explaining why exceptions raised should apply to information requested). The district attorney's office states the submitted information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the submitted information. We note, pursuant to the court's decision in *City of Carrollton v. Paxton*, 490 S.W.3d 187 (Tex. App.—Austin 2016, pet. denied), and the district attorney's office's briefing, section 552.108(c) of the Government Code is not applicable in this instance. Therefore, the district attorney's office may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
Open Records Division
