

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 7, 2022

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2022-10257

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 941199 (ORR Nos. M036085 & M036223).

The City of Midland (the "city") received two requests from the same requestor for all records related to a specified incident. The city states it is releasing some of the requested information. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 773.091 of the Health and Safety Code, which provides in part:

(a) A communication between certified emergency medical services ["EMS"] personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(a)-(b), (g). The information submitted as Exhibits C and D consists of records made and maintained by EMS personnel. Upon review, we find section 773.091 is applicable to the information at issue. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold Exhibits C and D under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). The city states the information submitted as Exhibit B relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to Exhibit B.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold Exhibit B under section 552.108(a)(2) of the Government Code.

In summary, with the exception of the information subject to section 773.091(g), which must be released, the city must withhold Exhibits C and D under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code. With the exception of the basic information, which must be released, the city may withhold Exhibit B under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
