Mr. David Iglesias

Dear Mr. Iglesias:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 940677.

Leon County (the "county"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.103, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We note the submitted information was the subject of a previous request for a ruling, as a result of which this office issued Open Records Letter No. 2022-04632 (2022). In that ruling, we determined: (1) the county must release some of the submitted information pursuant to section 552.022 of the Government Code; (2) must release the submitted CR-3 accident report to the requestor in its entirety pursuant to section 550.065(c) of the Transportation Code; and (3) may withhold the remaining information under section 552.103 of the Government Code. We have no indication the law, facts, and circumstances on which the prior ruling was based have changed. Thus, the county must continue to rely on Open Records Letter No. 2022-04632 as a previous determination and withhold or release the submitted information in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in a prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Tim Neal
