Ms. Kathrine B. McCarty  
First Assistant County Attorney  
Liberty County

OR2022-10442

Dear Ms. McCarty:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 937892 (Ref. No. C000193-121721).

The Liberty County District Attorney's Office (the "district attorney's office") received a request for reports pertaining to a specified motor vehicle accident. The district attorney's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we must address the district attorney's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). The district attorney's office received the request for information on December 17, 2021. The district attorney's office informs us it was closed on December 24, 2021, and December 27 through 31, 2021. This office does not count the date the request was received or holidays for the purpose of calculating a governmental body's deadlines under the Act. Accordingly, the district attorney's office was required to provide the information required by section 552.301(b) by January 10, 2022. However, the envelope in which the district attorney's office provided the information required by section 552.301(b) was postmarked January 13, 2022. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail).

Accordingly, we conclude the district attorney's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). The district attorney's office claims section 552.108 of the Government Code for the submitted information. Because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will address the applicability of these exceptions to the submitted information.<sup>1</sup> However, we find the district attorney's office has failed to establish a compelling reason to address its claimed exception.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident reports are confidential under section 550.065(b), and the district attorney's office must withhold them under section 552.101 of the Government Code. However, section 550.065(c-1) requires the district attorney's office to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident reports may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident reports. Thus, the district attorney's office must release the redacted accident reports pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). We also note the public has a legitimate interest in knowing the details of a crime. *See Lowe v. Hearst Communications, Inc.*, 487 F.3d 246, 250 (5th Cir. 2007) (noting a “legitimate public interest in facts tending to support an allegation of criminal activity” (citing *Cinel v. Connick*, 15 F.3d 1338, 1345-46 (1994))). The Third Court of Appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). We note the right to privacy is a personal right that lapses at death and the common-law right to privacy does not encompass information that relates only to a deceased individual. *Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. Civ. App.—Texarkana 1979, writ ref’d n.r.e.); *see also Justice v. Belo Broadcasting Corp.*, 472 F. Supp. 145, 147 (N.D. Tex. 1979) (“action for invasion of privacy can be maintained only by a living individual whose privacy is invaded” (quoting RESTATEMENT (SECOND) OF TORTS § 6251 (1977))); Attorney General Opinions JM-229 (1984) (“the right of privacy lapses upon death”), H-917 (1976) (“We are . . . of the opinion that the Texas courts would follow the almost uniform rule of other jurisdictions that the right of privacy lapses upon death”). Accordingly, information pertaining to a deceased individual may not be withheld on common-law privacy grounds. Upon review, we find some of the remaining information satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the district attorney’s office must withhold all living public citizens’ dates of birth and the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the district attorney’s office must withhold all visible license plates and registration stickers, and the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the district attorney’s office must withhold the submitted accident reports under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code; however, the district attorney’s office must release the redacted accident reports pursuant to section 550.065(c-1) of the Transportation Code. The district attorney’s office must withhold all living public citizens’ dates of birth and the information we have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The district attorney’s office must withhold all visible license plates and registration stickers, and the motor vehicle record information we have marked under section 552.130 of the Government Code. The district attorney’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
