Mr. Samuel R. Jimison
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2022-10550

Dear Mr. Jimison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 941973 (ORR# 154).

The City of Corpus Christi (the "city") received a request for personnel records for several named city employees. The city states it will release some of the requested information upon payment of charges. The city claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the city claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is excepted from required public disclosure under common-law privacy. *See* Open Records Decision Nos. 600 (1992), 545 (1990) (deferred compensation information, participation in voluntary investment program, election of optional insurance coverage, mortgage payments, assets, bills, and credit history), 523 (1989). This office has also determined a public employee's net pay is protected by common-law privacy even though it involves a financial transaction between the employee and the governmental body. *See* Attorney General Opinion GA-0572 at 3-5 (2007) (net

salary necessarily involves disclosure of information about personal financial decisions and is background financial information about a given individual that is not of legitimate concern to public). However, there is a legitimate public interest in the essential facts about a financial transaction between an individual and a governmental body. *See* ORDs 600 at 9 (information revealing employee participates in group insurance plan funded partly or wholly by governmental body is not excepted from disclosure), 545 (financial information pertaining to receipt of funds from governmental body or debts owed to governmental body not protected by common-law privacy). Upon review, we find some of the submitted information, which we marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the city has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the city may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
