ATTORNEY GENERAL OF TEXAS

Manager, Records Division

OR2022-10877

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 942442 (Ref. Nos. W008980-012522 and 21N68247).

The North Richland Hills Police Department (the "department") received a request for a report pertaining to a specified motor vehicle accident involving the requestor's client. The department claims some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.218 of the Health and Safety Code is applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). This section makes the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.218 applies to an emergency communication district for a county with a population of more than 1.5 million. The department states it is part of an emergency communication district established under section 772.218 of the Health and Safety Code. Upon review, we conclude the department must withhold the telephone number it marked under section 552.101 of the Government Code in conjunction with section 772.218 of the Health and Safety Code if the number consists of the originating telephone number furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone number provided by a

9-1-1 service supplier, it may not be withheld under section 552.101 of the Government Code in conjunction with section 772.218. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
