Mr. Mark Sossi  
Counsel for the City of Harlingen  
Troiani and Sossi PLLC

OR2022-10889

Dear Mr. Stossi:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 938738.

The City of Harlingen (the "city") received a request for information pertaining to two specified legal opinions.<sup>1</sup> You state the city does not have information pertaining to a portion of the request.<sup>2</sup> We understand you to claim the requested information is excepted from disclosure under section 552.107 of the Government Code.

We must address the city's procedural obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the

<sup>1</sup> As the city has failed to submit a copy of the written request for information, we take our description of the request from your brief.

<sup>2</sup> We note the Act does not require a governmental body to disclose information that did not exist at the time the governmental body received the request for information. *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e). You state the city received the request for information on January 23, 2022. As of the date of this letter, the city has failed to submit written comments stating the reasons why the stated exception applies that would allow the information to be withheld, a copy of the written request for information, or a copy or representative sample of the requested information. Consequently, we conclude the city has failed to comply with the procedural requirements mandated by section 552.301(e) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the city raises an exception to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
