ATTORNEY GENERAL OF TEXAS

April 14, 2022

Ms. Angelie Thomas  
Assistant City Attorney  
City of Sugar Land  
P.O. Box 110  
Sugar Land, Texas 77487-0110

OR2022-11057

Dear Ms. Thomas:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 940895 (ORR# W013529).

The City of Sugar Land (the "city") received a request for four categories of information related to a specified property. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that is made confidential by other statutes. You raise section 552.101 in conjunction with section 418.181 of the Homeland Security Act (the "HSA"). Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the HSA. Section 418.181 provides:

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

*Id.* § 418.181. The fact that information may relate to a governmental body's security concerns does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's

key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state “[t]he submitted information contains details of water lines, storm sewer lines, sanitary sewer lines, and manholes that are part of the [c]ity’s water, sanitary[,] and drainage systems.” You contend, and we agree, the city’s water, sanitary, and drainage systems constitute critical infrastructure for the purposes of section 418.181. *See generally id.* § 421.001(2) (defining “critical infrastructure” to include “all public or private assets, systems, and functions vital to the security, governance, public health and safety, economy, or morale of the state or the nation”). You also state the public release of the information at issue would expose this critical infrastructure to possible acts of terrorism by exposing potential vulnerabilities in the critical infrastructure. Based on your representations and our review of the information at issue, we find you have demonstrated the applicability of section 418.181 to the information at issue. Thus, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.181 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
